

What Benefits Come with Women's Fund Membership?

- Ability to fund organizations benefiting women and children in our community,
- Opportunity to learn about and discuss current issues and strategies in philanthropy,
- Site visits to area nonprofits with programs focused on women and children,
- A portion of membership dues go to the Women's Fund Endowment —allowing the **"Power of the Purse"** to benefit women and children in Central Texas now and into the future.
- Option to serve on various committees: Grants, Luncheon, Membership, and Member Education,
- Members vote each year on grant funding decisions.

How Does the Women's Fund Award Grants?

It all starts and ends with the membership. The Women's Fund focuses its giving on women and children. Women's Fund members may volunteer to serve on the Grants Committee. Area nonprofits are invited to submit a Letter of Inquiry in response to a Request for Proposal. Grants Committee members review all Letters of Inquiry. After review, the committee then invites selected organizations to submit full grant proposals. After consideration of all full proposals, the Grants Committee submits a slate of requests to the entire membership for a vote to determine the final grant recipients. Grants are awarded at the annual **"Power of the Purse"** Luncheon.
